

MEMBER ALERT
MANDATORY TRANSGENDER RIGHTS POSTER

Beginning January 1, 2018, the California Department of Fair Employment and Housing (DFEH) requires California employers with five or more employees to display the DFEH's "Transgender Rights in the Workplace" poster, which must be placed in a prominent and accessible location in the workplace.

The poster provides answers to employer FAQs, useful definitions, and information on how to file a complaint.

Please see the link below to the DFEH poster available for download:
